

Sole Comfort

With an emphasis on comfort and high quality, **Valentino** has come up with an exquisite Business collection for men. Usually most of us spend 8 to 10 hours with our shoes on in the office. Thus keeping in mind the other effects of synthetic made shoes which causes condensation on the surroundings of the foot giving you the feeling of wet feet, Valentino shoes are made from processed leather which prevents the foot from sweating giving you a comfy feeling. The special features of Valentino Business Shoes are: a) Double PU cushion padding used to avoid foot fatigue b) Refined air system sole to get feet sweat free though worn the whole day c) New technology introduced for the first time in the toe part to make the shoe 100% flexible for extra comfort. d) High density foam padding avoids pinching and rubbing. Priced between Rs.1699 – Rs.2499 Valentino shoes are available in every good footwear multi brand outlet across the country.
