

### **Valentino forays into Women's footwear**

Valentino, India's well-known brand for men's shoes, has now entered into the women's footwear category with the launch of their comfortable, elegant and trendy summer collection for women. The collection includes evening sandals in bright colors and designs that would compliment your outfits perfectly. These eye catching sandals are a perfect blend of vivid colors and designs and are just right for the season. Hot sandals with high heels, wedges and flats are must-haves.
