

THIS AND THAT

Destination for academic excellence

To reshape hard working and dedicated Indian youths in the form of global multifaceted talents, RK Education Hub was incepted in the year 1998 by Rajiv Memorial Academic Welfare Society. Demonstrating meteoric growth since beginning, it has become one of the most prestigious educational hubs solely devoted to equip thousands of young students in the array of higher education.

Accepting that education is a only highway to achieve our long cherished goals and tantalizing targets of nurturing children with the cultivation of moral values from their early childhood and thereby strengthening the backbone of the nation, RK Education Hub offers a unique and distinctive Rajiv International School to the nation, which will provide world class education to the children of future. The school is the final destination where one will find, the integration of academic excellence with co-curricular activities. While creating a har-

monious multi-cultural learning environment, it gives equal importance to student of all backgrounds and nationalities, all races and religions.
